You can use these sketches as a guide or draw totally on your own!

One day a boy named Gibson found a nice cardboard box.

I'll build a shaceship!

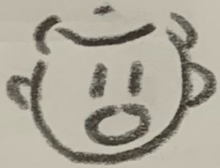

...said Gibson

Draw  
Gibson

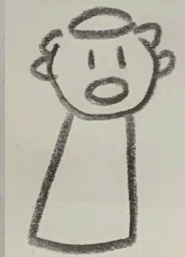

He gathered lots more cool supplies.

"Sure," said Gibson, "let's try stacking our parts."

"Oh no it's crashing!"

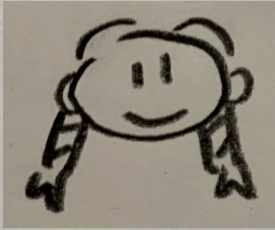

**CRASH!!!**

Draw parts and supplies piled up on the floor

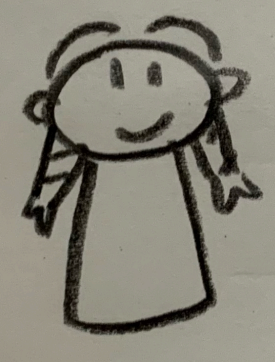

This is gonna be hard Gibson thought!

I'll help!

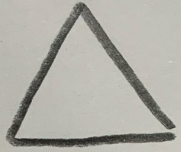

...said sister

Draw  
Gibson's  
sister

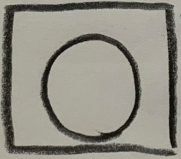

...And together they built the most AMAZING space ship ever!

Kids can draw their own parts their own way if they like.

Draw the most AMAZING spaceship ever!... you can color it too!
